About Reliance Staffing

Reliance Staffing is one of the areas' largest personnel firms serving the greater Hampton Roads region. The firm employs nearly 4800 temporary associates per year from four local offices to serve clients from the historic city of Williamsburg to the resort area of Virginia Beach. Reliance provides well trained, pre-screened candidates for employers with long-term and short-term job openings.

Reliance Staffing Process

Reliance uses the latest staffing management software, called COATS (Complete Office Automation for Temporary and Staffing Services) to manage the growing challenges of matching the right candidates with the right client positions at an ever accelerated pace. Reliance follows rigorous candidate screening and training processes to ensure the right fit.
